

Le Régent Graduation Diploma with or without Golf/Skiing Option

The Graduation Diploma is designed for those who want to graduate from a “High School” with an appropriate academic background (and therefore be eligible for a university or college education if they wish). They may also do so with the option of combining studies with sports at a much higher level.

The two sports that can be included in the diploma have the advantage of exceptional facilities. They are golf and skiing, and classes will take place with specialist coaches and teachers.

The minimum requirements for graduation from Le Régent are 20 credits (1 credit = 120 classroom hours).

To be awarded a Graduation Diploma, students must complete at least the last two years of their High School education at Le Régent. Subjects studied in earlier years of their schooling can count towards graduation requirements.

Students are required to enrol in a minimum of five academic credit courses per year or the equivalent. An alternative programme may be designed for students with special talents, interests, or needs. Such a programme must follow established guidelines and requires the approval of the High School Academic Team.

The standard requirements are as follows:

Credit	Subject	Requirements
4	Sports specialism	At least three half-days per week during golf and/or skiing season
4	English	Four years as either a first or foreign language, including the last two on an IB A or B course
3	Mathematics	Three years with a study of algebra equivalent to Algebra 1 (IGCSE)
3	Humanity/Group 3 subject	Three years of either as an IB Group 3 subject (at standard or Higher Level) or (I)GCSE
3	Natural Science	Two years either as an IB Group 4 subject (at standard or Higher Level) or (I)GCSE
3	Language	Two years of second language (or language other than English) including at least the last two on an IB A or B course
	Expeditions	Participation in Le Régent’s expedition program
	Service Learning	Fulfilling requirements service element of CAS programme

The student must also complete his or her education in good disciplinary standing and with an attendance record of not less than 90% unless otherwise authorized or admitted by the Academic Team
